

## **Ticket to start your Family Audition Process**

### **We want to meet your child!**

**If they can read**, please submit a video of him or her in a 'Show and tell' manner presenting their favorite book in english, read 3 pages **AND** talk about why they like the story, who their favorite character is and why. **(2-3 min. video)**

***It is very important that the video includes both a reading AND a conversation portion in english.***

**If they are still not reading**, please submit a video of him or her in a 'Show and tell' manner about a recent project they have recently done or something they really enjoy doing (craft project, drawing, something they have recently mastered like whistling or riding a bike, legos, etc.). **(2-3 min. video)**

***If they are able to express themselves in english, please portray that. They can do one part in english and the other in spanish. This helps us know what stage they're at.***

**Please upload your video set to private** in youtube or vimeo. **PLEASE make sure you send us the password/access code.**

If you use google drive PLEASE follow these instructions: Upload video, one on Drive, right-click on it/ Share/ Get Link/ Change/ Anyone on the internet with this link can view/ Copy Link/ Done

Send that link via email to **both**:

After careful consideration from the Auditions Council- this, along with your Hero Checklist, is your ticket to start your Audition on Journey Tracker, our very own Acton platform Heroes use to track progress, establish goals, and keep a portfolio. You will receive an invitation to sign-up.

Journey Tracker will help you visualize what stage of the process you're at and help you with additional resources.
